publichealthandsafetycongress@gmail.com

Welcome Message

Dear Colleagues,

We are honoured and delighted to welcome the distinguished speakers, delegates, clinical and medical professionals, researchers, and industry leaders from all around the world to participate in the Public Health and Safety Congress during November 03-04, 2025 which will be held in Chicago, USA.

The aim of the conference is to bring together academics and researchers from all areas of Clinical, Healthcare and relatable disciples. Public Safety Congress is to provide a platform for researchers, engineers, academicians as well as industrial professionals from all over the world to present their research results and development activities in Public Health and Safety.

This event will focus on various important disciplines of Clinical, Medical activities. This conference will have a variety of Plenary Lectures, Session Lectures and Poster Presentations, Scientific Exhibitions, Panel Discussions, and the B2B meetings with world-renowned speakers, and leading specialists involved in Medical and Healthcare system.

We hope that you will find Public Health Congress is enjoyable and valuable. We are excited about the opportunities of holding an innovative hybrid conference (both Online & In-person) and reaching a wider audience than a conference can possibly include.

We look forward to meeting you in Chicago for the Public Health and Safety Congress (Public Health Congress-2025)

Warm Regards

Organizing Committee

Public Health Congress-2025

publichealthandsafetycongress@gmail.com

Title: Association between bariatric surgery and malignancy: A systematic review and meta-analysis, Trends and conclusions

Zvi H. Perry, The Department of Public Health, Faculty of Health Sciences, Ben Gurion University of the Negev, Beer-Sheva, Israel

Title: Trend in cancer incidence in Mato Grosso and its health regions, Brazil, 2001–2018

Marco Aurélio Bertúlio, State Secretary of Health of Mato Grosso, Cuiabá, Mato Grosso, Brazil

Title: Analysis of vulnerability, its drivers, and strategies applied towards reducing the pastoral and agro-pastoral livelihood vulnerability to climatic shocks

Daniel Assefa, University of Chinse Academy of Science/Ambo University, Ethiopia

Title: Building a Holistic Nature Play Curriculum for Kindergartens: Insights from Educational Ecology

Yanfei Xu, Faculty of Education, Universiti Malaya, 50603 Kuala Lumpur, Malaya

Title: Metabolomics Profiling in Venous Thromboembolism and its Chronic Sequelae -A Systematic Review

Zahra Amirsardari, Tehran University of Medical Sciences, Iran

Title: The impact of agricultural intensification on bee health and abundance Ignacio

Perez-Lagleyze, Laboratorio de Interacciones Bióticas en Agroecosistemas (LIBA), Buenos Aires, Argentina

Title: ATLAS Study: Design, Athletic Performance, and Sex-Specific Regression Models for Muscle Strength in the Greek Population

Natia A. Pogosova, Department of Nutrition and Dietetics, School of Health Sciences and Education, Harokopio University of Athens, Greece

Title: Comparison of the effect of aerobic and resistance training on fatigue, quality of life and biochemical factors in hemodialysis patients

Saeed Ilbeigi, University of Birjand, Iran

Title: Electrochemical DNA-based disposable chip for the detection of Klebsiella pneumoniae: a prominent causal agent for urinary tract infections

Florien NKURUNZIZA, Rwanda Youth Health Research cell, Rwanda

Title: Polyp segmentation in medical imaging: challenges, approaches and future directions

Abdul Qayoom, Shaanxi Normal University, China

Title: Administrative Procedures, Medical Staff Services and Patient Satisfaction with Trust: Knowledge of E-Health as a Moderator in Public Sector Hospitals

Abid Hussain, Jiangsu University, China

Title: Analysis of the current status and influencing factors of oral frailty in elderly patients with type 2 diabetes mellitus in Taiyuan, China

Chun Tian, Shanxi Medical University, China

Public Health 2025 Speakers

itle: Knowledge and Attitude Toward Organ Donation and Transplantation Partha Nandi, Family and Community Medicine, University of Bisha – College of Medicine, Kingdom of Saudi Arabia

Title: The relationship between perceived chronic stress and generalized trust in the post-epidemic era: the mediating role of perceived social support and the moderating role of positive coping

Feng Zhiyuan, Nanjing Normal University, China

Title: D-printed surface coated with natural photosensitizer for photodynamic inactivation of methicillin-resistant Staphylococcus aureus using visible light Paulo Cervi, Universidade Franciscana UFN, Brazil

Title: Comparing effects of breathing exercises alone and combined with breathing-stretching exercises on respiratory indices, disease severity and exercise capacity in COPD

Mahdi Karimyar Jahromi, Nursing Department, Jahrom University of Medical Sciences, Iran

Title: Pediatric Headache Management in the Emergency Department: A Review of Challenges and Solutions

Farah Deeba, Alfaisal University, Saudi Arabia

Title: LongTerm Effects of COVID19 on Cardiovascular System and the Risk Markers: A Systematic Review

Zinat, Tehran university of medical sciences, Iran

Title: Integrated Treatment of Textile Wastewater and Methyl Orange Azo Dye: Constructed Wetland-based Remediation Enhanced by Bacterial Treatment Pawan Kumar Bhargawa, Babasaheb Bhimrao Ambedkar University Lucknow, India

Title: Successful administration of cetuximab using dose escalation method: a case report

Shasha Li, Clinical Oncology Center, The University of Hong Kong Shenzhen Hospital, Shenzhen, China

Title: KLF14 directly downregulates the expression of GPX4 to exert antitumor effects by promoting ferroptosis in cervical cancer

Hui Ye, Oncology Department, Shandong Provincial Qianfoshan Hospital, Shandong University, Jinan, China.

Title: Anxiety, depression, and post-traumatic stress disorder in nurses exposed to horizontal violence: a network analysis

Mengqi Liu, Shandong Provincial Hospital, Shandong Province, China

Title: Reinforcement-based leveraging transfer learning for multiclass optical coherence tomography images classification

Kamran Aziz, Wuhan University, China

Title: Occupational health and safety practices to enhance safety behaviour in Ghana’s Mining Sector: The moderating effect of transformational leadership PHILIP BATSA ADOTEY, Jiangsu University, China

Public Health 2025 Speakers

Title: Late diagnosis of sickle cell disease in adults still a challenge in developing countries: a case report

Philpo, Mkwawa University College of Education (MUCE), Tanzania

Title: The revolving outbreaks of Japanese Encephalitis in Nepal

Amrendra Kushwaha, Nepal Medical College & Teaching Hospital, Nepal

Title: Seroprevalence of Hepatitis A Virus among Schoolchildren in Amran Governorate, Yemen

Ali Ahmed Al-Hadheq, Amran University, Yemen

Title: Role of annealing temperature in synthesis and characterization of Li_{0.2}Zn_{0.6}Fe_{2.2}O₄ for photocatalytic dye degradation

Sudhir Kulkarni, Doodhsakhar Mahavidyalaya, Bidri, India

Title: Single Center Implementation of the Pediatric Anesthesia Emergence Delirium (PAED) Scale

Hasima Hajdini, Saint Louis Childre's Hospital, USA

Title: Adult Enteral Nutrition Feeding Intolerance Risk Prediction Models- A Literature Review

Yang Hui, The First Affiliated Hospital of Chengdu Medical College, China

Title: The Double-Edged Sword: Unveiling the Impact of Women's Financial Inclusion on Intimate Partner Violence in India

Gaurav Dhamija, Indian Institute of Technology Hyderabad, India

Title: From Bench Side to Clinic: Nonclinical Regulatory Considerations for Therapeutic Cancer Vaccine Development

Margery Ma, Eliquent Life Sciences, USA

Title: mRNA-based COVID-19 vaccination of lung transplant recipients with prior SARS-CoV-2 infection induces durable SARS-CoV-2-specific antibodies and T cells

Siqi liu, Department of Rheumatology and clinical immunology, University of Groningen, University Medical Center Groningen, the Netherlands

Title: The hybrid immunity defined by weaker immune imprinting of people living with HIV has a stronger neutralizing response against Omicron variants. A suggested explanation for fewer symptoms in people living with HIV after SARS CoV-2 variants breakthrough infection

Ni Wang, Department of Infectious Diseases, Key Laboratory of Molecular Biology for Infectious Diseases (Ministry of Education), Institute for Viral Hepatitis, The Second Affiliated Hospital, Chongqing Medical University, Chongqing, 400010, China

Title: A Label-free Optical Biosensor-Based Point-of-Care Test for the Rapid Detection of Monkeypox Virus

Partha Ray, Department of Medicine, Division of Infectious Diseases and Global Public Health, University of California, San Diego, CA 92093, USA

Title: Predicting lymphoma prognosis using machine learning-based genes associated with lactylation

Miao Zhu, Harvard University, USA

Public Health 2025 Speakers

Title: LFIA x SPU: Pioneering Next-Generation Rapid and Accurate Pandemic Diagnostics for Global Health Security

Cheng-Hao Ko, Graduate Institute of Automation and Control, National Taiwan University of Science and Technology, Taipei, Taiwan.

Title: Tissue and circulating levels of IL-17A and FoxP3+ in patients with scabies: Correlation with clinical features

Mona Abdalhameed, Department of Pathology, Faculty of Medicine, Menoufia University, Shebin al-Kom, Menoufia, 6132720, Egypt

Title: LFIA x SPU: Pioneering Next-Generation Rapid and Accurate Pandemic Diagnostics for Global Health Security

Cheng-Hao Ko, Graduate Institute of Automation and Control, National Taiwan University of Science and Technology, Taipei, Taiwan

Title: Comparative analysis of fungal and bacterial composition in natural wines and their closest pesticide-treated counterparts

Gilles-Eric SERALINI, University of Caen Normandy, France

Title: Research on the influence path of red tourism experience on tourists' well-being: based on the chain mediating role of tourists' emotion and national identity

Lu Lu, Inner Mongolia University, China

Title: Study of Rotavirus in Egyptian Children

Zidouemba Moussa Theodore, Ritsumeikan University, Japan

Title: Conceptualizing Corporate Social Responsibility Process among Muslim SMEs in the UK: A Case Study Approach

ABDUL WARIS, University of Pisa, Pisa, Italy

Title: ATLAS Study: Design, Athletic Performance, and Sex-Specific Regression Models for Muscle Strength in the Greek Population

Natia A. Pogosova, Harokopio University of Athens, Greece

Title: Guidelines for a Trauma-Informed Approach to Non-Suicidal-Injury for Crisis Evaluators

Janine E Reynolds, 15 Michigan Drive, Falling Waters, WV 25419, USA

Title: The Forgotten Knowledge: Pandemics in Islamic Manuscripts

Nyimas Umi Kalsum, Universitas Islam Negeri Raden Fatah, Indonesia

Title: Dose-volume predictors of cardiac adverse events after high-dose thoracic radiation therapy for lung cancer: a systematic review and meta analysis

Médéa Locquet, CESP 1018-Inserm/Gustave Roussy Hospital/Paris-Saclay University, France

Title: Patient's experiences of shared decision-making, when choosing treatment for their distal radius fracture; A qualitative study

Ane Simony, Department of Rehabilitation and Occupational Therapy, Hospital Lillebelt, Kolding, Denmark

Only few Slot opportunitites are left, please hurry

Scientific Sessions

- Patient safety and health services
- Primary health care
- Universal health coverage
- Public Health Education
- Public Health Nursing
- Aging and Public Health
- Women, Adolescent and Children
- Water Sanitation & Health
- International health regulations
- Essential & Emergency Medicines
- Food safety and Food Technology
- Human Rights
- Noncommunicable diseases
- Child Health
- Reproductive health
- Universal health coverage
- e-Health
- Epidemiology
- Infection Health
- Tropical Diseases
- Toxicology
- Occupational health and chemical safety
- Patient safety and health services
- Preventive Medicine and Traditional Medicine
- Vaccines and immunization
- Women's health and Safety
- Adolescent health
- Antimicrobial resistance
- Cardiovascular diseases (heart attack, stroke)
- Essential & Emergency Medicines
- Blood Products and Products of Human Origin
- Disability, injury prevention and rehabilitation

Benefits of Attending Public Health Congress-2025

- Personal Growth and Inspiration.
- Network with experts, policymakers, and practitioners driving innovation in public health.
- Exposure to New Technologies and Innovations.
- Participate in dynamic discussions and workshops on equity, inclusion, and sustainability.
- Participants have the opportunity to link with experts from all around the world and thus become part of a unique scientific community.
- Exchange ideas and network with leading public health professionals and decision makers.

Who can Attend

- Medical Practitioners and Clinicians
- Researchers and Academicians
- Healthcare Administrators
- Industrial Professionals
- Medical Students
- Dieticians
- Healthcare Workers, professionals
- Occupational Therapists
- Researchers
- Scientists
- Endocrinologists
- Diabetologists
- Life Advancement Therapists
- Environmental health professionals

Abstract Submission link and Registration Details

Submit your abstract online at

<https://publichealth.scientificmeetup.com/submit-abstract/>

or Email to

publichealthandsafetycongress@gmail.com

All participants (whether presenting or not) are required to register for the Conference.

The registration fee includes:

- 2 Refreshment Breaks (Coffee/Tea and Snacks)
- Lunch during conference days
- E-Abstract Book
- Certificate of Attendance/Presentation
- Conference schedule handout
- Eligibility for all technical sessions and workshops in the conference
- Conference photo coverage
- Publication of one accepted paper in the proceedings

Accommodation includes:

- Accommodation
- Free WIFI Internet Access

Become a Sponsor

Sponsorship and Exhibition Packages

Public Health Congress-2025 provides you one place to reach your topmost patrons. These sponsorships are an excellent opportunity to become recognized all across the globe.

Platinum Sponsorship Includes:

- A 15 min presentation at a plenary session (advanced notification required)
- Complementary registrations at the conference that includes the conference lunch and coffee snack breaks: 3 persons
- Two exhibition slots (table and space) to promote your company and products
- The name and logo of your company in conference banners and flexes that is shown in each of the conference rooms
- The name and logo of your company looping on the conference website, conference proceedings and company's page
- A flyer or a gadget to advertise your company (provided by sponsor), placed in each conference bag
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages)
- A Certificate of Appreciation for your contribution towards the conference
- Access to Conference Attendee List (The attendee list contains Name, Company, Mailing Address and Phone. Absolutely no email addresses will be shared)

Platinum Sponsorship Fee:

- \$7,000– for 1-3 day exhibit
- \$6,000 – for 1-2 day exhibit
- \$4,000 – for 1day exhibit

Gold Sponsorship Includes:

- A 10 min presentation at a seminar session of your choice (advanced notification required)
- Complementary registrations at the conference that includes the conference lunch and coffee/ snack breaks: 2 persons
- An exhibition slot (table and space) to promote your company and products
- The name and logo of your company in conference banners and flexes that is shown in each of the conference rooms
- The name and logo of your company looping on the conference website, conference proceed -ings and in corresponding BIOCORE Journal home page with a link to your company's page
- A flyer or a gadget to advertise your company (provided by sponsor), placed in each conference bag

- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages)
- A Certificate of Appreciation for your contribution towards the conference
- Access to Conference Attendee List (The attendee list contains Name, Company, Mailing Address and Phone. Absolutely no email addresses will be shared)

Gold Sponsorship Fee:

- \$5,000– for 1-3 day exhibit
- \$4,000 – for 1-2 day exhibit
- \$3,000 – for 1day exhibit

Silver Sponsorship Includes:

- Two complimentary congress registration that includes the conference lunch and coffee/snack breaks
- An exhibition slot (table and space) to promote your company and products
- The name and logo of your company in conference banners and flexes that is shown in each of the conference rooms
- The name and logo of your company looping on the conference website, conference proceedings and in corresponding BIOCORE Journal home page with a link to your company’s page
- A flyer or a gadget to advertise your company (provided by sponsor), placed in each conference bag
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages)
- A Certificate of Appreciation for your contribution towards the conference Silver Sponsorship Fee: (\$1,700)

Friend Sponsorship Includes:

- A flyer or a gadget to advertise your company (provided by sponsor), placed in each conference bag
- Friend Sponsorship Fee: (\$1,000)

Additional Sponsorship Packages

Lunch / Cocktail Sponsor: US\$ 1299

Coffee Break Sponsor: US\$ 999

Conference Delegate Bag Sponsor: US\$ 499

Bag Insert : US\$ 299

Exhibition

Held alongside the conference, the exhibition will offer quality networking and marketing opportunities for participants and vendors. Acquire firsthand information from suppliers and users on trends, technologies and solutions. What is offered?

- One complimentary congress registration
- One exhibit booth (table and space) to promote your company and products (for 3 days)

- Logo recognition on congress website sponsorship page and on official Program Booklet
- A flyer or a gadget to advertise your company (provided by sponsor), placed in each conference bag.

If you are interested in becoming a sponsor/exhibitor, please contact us at publichealthandsafetycongress@gmail.com

Avail the Opportunity!!!

Exhibition Dates: November 03-04, 2025

Venue & Hospitality

Conference Dates: November 03-04, 2025

Conference Venue: Hilton Garden Inn Chicago Downtown,
10 E. Grand Avenue, Chicago, Illinois, 60611, USA

Note:
