

# Welcome Message

**Dear Colleagues,**

We are honoured and delighted to welcome the distinguished speakers, delegates, clinical and medical professionals, researchers, and industry leaders from all around the world to participate in the 2nd Edition of Public Health and Safety Congress during October 26-27, 2026, which will be held in Dubai, UAE.

The aim of the conference is to bring together academics and researchers from all areas of Clinical, Healthcare and relatable disciplines. Public Health Congress is to provide a platform for researchers, engineers, academicians as well as industrial professionals from all over the world to present their research results and development activities in Public Safety and Global Health.

This event will focus on various important disciplines of Clinical, Medical activities. This conference will have a variety of Plenary Lectures, Session Lectures and Poster Presentations, Scientific Exhibitions, Panel Discussions, and the B2B meetings with world-renowned speakers, and leading specialists involved in Medical and Healthcare system.

We hope that you will find Public Health and Safety Congress is enjoyable and valuable. We are excited about the opportunities of holding an innovative hybrid conference (both Online & In-person) and reaching a wider audience than a conference can possibly include.

We look forward to meeting you in Dubai for the 2nd Edition of Public Health and Safety Congress (Public Health Congress-2026)

Warm Regards

Organizing Committee

## Benefits of Attending Public Health-2026

- **Knowledge Expansion:** Gain insights into the latest research, innovations, and global trends in public health, safety, and preventive care.
- **Networking Opportunities:** Connect with leading scientists, healthcare professionals, policymakers, and industry experts from around the world.
- **Professional Development:** Enhance your skills and expertise through workshops, panel discussions, and keynote sessions led by renowned speakers.
- **Collaborative Learning:** Exchange ideas, share best practices, and establish collaborations for future research and projects.
- **Recognition and Certification:** Receive certificates of participation or presentation to strengthen your academic and professional profile.
- **Global Awareness:** Understand diverse perspectives on public health challenges and contribute to building safer and healthier communities worldwide.

## Who can Attend

The Public Health and Safety Conference welcomes a wide range of participants dedicated to improving community health and ensuring public safety. The conference is open to public health professionals, healthcare practitioners, epidemiologists, researchers, and academicians from universities and research institutions. It also invites policymakers, government officials, safety officers, environmental health specialists, and representatives from NGOs and international organizations working in health and safety sectors. In addition, students, industry leaders, and entrepreneurs involved in developing healthcare technologies and safety solutions are encouraged to attend. This diverse gathering provides an excellent platform to share ideas, promote collaborations, and address global challenges in public health and safety.
